19 That the following facts establish probable cause for believing that grounds for the issuance of a
20 search warrant for the aforementioned items exist:

- 21
- 22 1. During November 2009, your affiant was contacted by Mr. Jeff Ross, Head of Money
Laundering Compliance employed by Green Dot Financial Services in California. Ross
stated that an individual named Stacie STEWART had purchased pre-paid debit card and
from 11/29/2009 until 01/11/2010, over \$13,500 in cash was deposited into the associated
account. The deposits were from (6) different states including Arizona although Stacie
STEWART provided a mailing address in Houston, Texas, while claimed to reside in
Arizona.. Green Dot felt this was suspicious and cancelled the debit card on January 4th,
2010 and filed an internal report. No additional funds could be deposited but the
customer could use the balance on the card. Green Dot identified Stacie STEWART with
a DOB of 02/06/1974, residing at 4550 N. 62nd Place in Scottsdale, AZ.
- 23
- 24 2. Your affiant conducted financial research and identified several other reports, where
other businesses filed reports related to what they considered suspicious activity. Some

of these reports also linked a Najah STEWART to Stacie STEWART. Bank of America stated that Stacie STEWART, with the same DOB 02/06/1974 and SSN 214- 96-5707, and listing an address of 8726 Magnolia Forest in Sugarland, TX, had deposited into her account \$127, 854.22 from 09/02/2008 until 10/06/2009. She listed herself as a student and the associated account is 586005837734. 74 of these deposits were made with cash and totaled \$106,077. There were no wire transfers. One deposit represented \$5,000.00 and consisted of 5 consecutively ordered postal money orders for \$1,000.00 each. During this same period, there were 465 debits totaling \$126,849.42. 259 of these debits were for cash and totaled \$71,505.91. Debits from the account included payments for two cell phones, clothing, and hotel rooms, airline flights etc. There were no debits for mortgage, rent, utility or vehicle payments. Several of the transactions listed above occurred in Scottsdale, AZ, Covina, CA, Pearland, TX, and Baltimore, MD. The U.S. Postal Service also filed a report concerning the above listed money orders, and indicating they were all purchased in Pittsburgh, PA.

3. Western Union officials advised affiant that they were aware of several subjects who they have considered to be involved in money laundering. They reported that in 2002, Stacie STEWART, with an address in Baltimore, MD and Najah STEWART, 1814 S. 18th Street in Philadelphia, PA. (Further identified by PA DL 25106131) were involved multiple suspicious money transfers. The amount of funds identified was \$40,629.00.
4. Financial research has revealed that the DTO's numerous cash transactions have connections to Baltimore, MD which is where Stacey and Najah STEWART and Richard BYRD all previously resided. The most current bank transactions continue to show a pattern of large amounts of currency being deposited into their bank accounts from the Baltimore area as well as other locations.
5. Early in the investigation your Affiants was advised by Detective Burk of the Arizona Financial Crimes Task Force that Stacey STEWART was listed as a target on a "Funnel Account Seizure Warrant". Although this could have resulted in a possible seizure of funds, this probably would have not led to criminal charges, by the nature of the funnel account warrant. Your Affiants requested that Stacey STEWART be removed from this seizure warrant so that this case could be investigated more thoroughly, and so that other co-conspirators such as BYRD could be identified.
6. Your affiant ran the address listed by Stacie STEWART on Green Dot documents of 4550 N. 62nd Place in Scottsdale, Az. This appears, according to Maricopa County

Assessors Office, to be a luxury rental home owned by Finocchiaro Agata of 6134 E Windstone Trail in Cave Creek, AZ, according to the Maricopa County Assessors Office. They list a market value on this home at \$1,130,800.00. Your affiant ran utilities on this residence through CIRU and it indicates the utilities were turned on at 06/01/2009 under the name of Andrea KING, DOB 06/06/1974 and a SSN 214-96-5707. This DOB and SSN match Stacie STEWART with a minor variation on the DOB, 02/06/1974. A phone number was also listed, (713) 446-3084.

7. Your affiant spoke with Finocchiaro Agata on the telephone reference her property at 4550 N. 62nd Place in Phoenix, AZ. She stated that she rents the property out herself and does not use a company. She said that her last renter at this address was a female named Andrea KING and that she also had two children, a boy and a girl. Andrea KING told Finocchiaro Agata that she worked for a real estate company out of state and that she worked in management at the company. She showed a check to Finocchiaro Agata with the name Andrea KING on it and was issued by a real estate company out of state. She also provided a social security number on her contract. She did not provide any employment in Arizona. She said that all rental payments were made to her by deposit into her bank account by Andrea KING. Finocchiaro Agata said that no men were listed as living at the residence however, she kept hearing from workers and others that several men were living at the residence, but she did not follow up on this.
8. A report filed by Comerica Bank in Sugarland, Texas revealed that a cashier's check was purchased through an account used by Stacie STEWART. The check was made payable to J & T properties and Andrea KING, for the amount of \$4,500.00 dated 03/02/2010. This appears to coincide with what the homeowner stated above and is clearly an attempt to possibly rent the new house under a fictitious name. This check was later refunded at the bank by the purchaser. Andrea KING has been identified as a real person with the DOB of 09/09/75, from Baltimore, MD and is linked on other financial transactions associated with members of the DTO. It is believed that the organization has stolen and or is using Adrea King's identity.

- 1 9. A search of Najah STEWART in Arizona was conducted through a public database. Two
2 residences were located, 11000 N. 77th Place #2072 in Scottsdale, AZ and 11640 N.
3 Tatum #206 in Phoenix, AZ. The first residence is a condominium in a gated
4 community. It appears to be a rental property valued at over \$350,000.00. The utilities
5 are in the name of Najah STEWART and she lists several phone numbers (678) 817-
6 5571, (678) 759-1067, and (856) 627-6477. Criminal Investigations Research Unit
7 (CIRU) also identified Najah STEWART with matching identifiers as also in January
8 2010 residing in Blackwood, NJ and Philadelphia, PA.
- 9 10. On 02/23/2010 at 1130 hours, your affiant conducted surveillance at the residence of
10 4550 N. 62nd Place in Phoenix, AZ. This is believed to be rental house being utilized by
11 Stacie STEWART. At 1240 hours, Sgt. J. Maddux drove past the residence and observes
12 a black Nissan 4 door parked in the driveway. Your affiant did not see this vehicle arrive
13 from his location, so it is assumed that the vehicle was removed from the garage.
14 Detective Kleinman drove past the residence at 1242 hours and watched a brown
15 Chevrolet Suburban, AZ 310YLY/ (Currently ANK4399, registered to Winnie Valena
16 CLARK), depart from the residence being driven by a Hispanic male. Sgt. Maddux
17 follows this vehicle west on Camelback Road when at 24th Street, the vehicle swerved
18 across several lanes and turned south on 24th Street. Sgt. Maddux was not able to stay
with the vehicle.
- 19 11. At 1244 hours, the black Nissan 4 door registered to Najah STEWART departed the
20 residence. It was driven by a black male with short hair. Your affiant followed the
21 vehicle north on Scottsdale Road. The vehicle appeared to be conducting counter
22 surveillance but was able to be followed to 11000 N. 77th Place in Scottsdale, where
23 Najah STEWART resides.
- 24 12. On 02/24/2010 at 0830 hours, surveillance was initiated at 4550 N. 62nd Place in Phoenix.
25 At approximately 0940 hours, a silver 2010 Chevrolet Tahoe arrived at the residence and
drove into the garage. It had CA. registration 6KAZ968, which reflected that it is a rental
car from Avis/Budget. At approximately 1000 hours, the Chevrolet Tahoe, CA
6KAZ968 departed from the residence, being driven by a black female, believed to be

1 Stacie STEWART. A black Lincoln Navigator followed the Tahoe from the residence
2 and they both drove north on 64th Street to Camelback. Surveillance followed the
3 Chevrolet Tahoe. Your affiant attempted to identify the black Lincoln but was unable to
4 do so due to it driving in an erratic manor indicating that counter surveillance was being
5 conducted. Your affiant did observe two black males in the vehicle and that it had a
6 white license plate believed to be from California. Officers followed the Chevrolet
7 Tahoe to a Bank of America drive through and later to a doctor's office. They placed a
8 GPS tracker on the vehicle, in the public parking lot there.

- 9
- 10 13. At 1212 hours, the brown Chevrolet Suburban, AZ 310YLY, arrived back at the
11 residence and was backed into the garage. At 1220 hours this vehicle departed. The
12 driver was a Hispanic male. Detectives attempted to follow this vehicle when it left but it
13 was ultimately lost.

14 **Seizure of 400 pounds of marijuana on 03/01/2010**

- 15 14. On Monday, 03/01/2010 at approximately 0620 hours, your affiant ran a query on the
16 electronic tracker which had been placed on the silver Chevrolet Tahoe, CA 6KAZ968,
17 on 02/24/2010. Your affiant had not identified the location of this vehicle since the
18 surveillance on 02/24/2010. Affiant discovered that this vehicle was now located at a
19 hotel parking lot at the Ontario Airport Inn, in Ontario, California. Your affiant had DPS
20 Detective K. Nelson contact supervisor Bob Weinke of the Regional Narcotics
21 Suppression Program (RNSP) Task Force to see if they could follow the vehicle and
22 observe any suspicious activity. The RNSP task force located the vehicle. They
23 followed the vehicle to a residence at 8128 Brookgreen Rd, Downey, CA. Also at this
24 residence, parked in the driveway was a blue Volkswagen Jetta CA: 6HLA322. After a
25 few minutes the Tahoe departed the residence and went to a small "mom and pop"
packing and shipping company and dropped off three large boxes weighing
approximately 50 to 100 lbs each. Upon request, the owners of the store allowed RNSP
members to view the boxes. They brought in a drug dog and a sniff was conducted. An
alert was provided by the dog and a search warrant was obtained. Prior to serving the

1 search warrant, the Volkswagen Jetta, CA 6HLA322, which had previously identified at
2 the stash house at 8128 Brookgreen Road in Downey, CA arrived at the commercial
3 parking lot adjacent to the shipping business occupied by three persons. One of which
4 had gotten out of the Jetta and was looking over the wall toward the RNSP Detectives.
5 who were waiting on a search warrant. Officers made contact with occupants of the
6 vehicle and identified Darrion THOMAS, DOB 08/18/1957, Allyria Nicole JOHNSON,
7 DOB 09/16/1978, and Robert SMITH 05/05/74 (alias of Richard BYRD). All three
8 subjects denied involvement and were released after field interview cards were
9 completed. The boxes contained approximately 150 pounds of marijuana total. A search
10 warrant was also obtained for the residence where three hundred more pounds of
11 marijuana, an assault rifle, body armor vests, a hand gun and close to twenty thousand
12 dollars were found. The electronic tracker indicates that the Chevrolet Tahoe departed
13 the Scottsdale residence on 02/27/2010 at approximately 2300 hours.

- 14 15. It should be noted that numerous financial transactions link all three of these subjects
15 identified in the RNSP case. One example is on 03/10/2010, nine days after this
16 narcotics transaction, Allyria JOHNSON deposited \$19,000 into the Bank of America
17 account of Deandre BYRD aka Richard BYRD. She deposited the cash in Baltimore,
18 MD. Allyria Johnson and Darion Thomas both have prior narcotics related arrests.
- 19 16. Your affiant contacted Avis/Budget in reference to the silver 2010 Chevrolet Tahoe,
20 registration 6KAZ968 which was identified on surveillance on 02/24/2010 and which
21 later was observed in California delivering the packages to the shipping store where the
22 marijuana was identified and seized. Affiant received information from Avis-Budget on
23 03/17/2010 and he learned that the vehicle was rented by Lincoln DAVIS, DOB
24 11/28/1963 with a Florida drivers license #D120527634280. He has an address listed
25 5712 Fusion Street Hollywood, Florida 33023. Lincoln DAVIS is currently on the APS
account for 5346 E. Royal Palm Rd. The vehicle was rented in Ontario, California. In
addition to this rental, Avis-Budget also has past rentals listed by Lincoln DAVIS using
the same biographical information. All of these rentals occurred in Ontario, California on
the dates listed:

Check out date	Check in date
09/07/2009	10/05/2009
10/05/2009	10/19/2009
10/19/2009	11/16/2009
11/16/2009	12/18/2009
12/18/2009	01/16/2009
01/16/2009	Present (Tahoe Vehicle)

There is a consistent pattern of one vehicle being dropped off and another is rented on the same date which indicates ongoing criminal behavior. All of these rentals were by use of a Mastercard credit card. Avis-Budget also had a history of Najah STEWART also renting vehicles from them. She is listed as providing a Pennsylvania drivers license #25106131, 753 S. 22nd Philadelphia, Pennsylvania. She rented a vehicle in Ontario, California on 10/27/2009 and returned on 12/03/2009 and also in Morrow, Georgia on 03/02/2009 and returned on 03/09/2009. She used different credit cards on each rental.

Affiant confronted by suspect on 05/03/2010

- 17. On 05/03/2010 your affiant monitored the pole camera which identified two U-Haul trucks at the residence of 4550 N. 62nd Place in Phoenix. Affiant observed furniture was being loaded from the house into the trucks. Affiant and other Task Force Detectives drove to the area of the target address in an attempt to see when the U-Haul's departed, so that they can be followed and the new residence positively identified. The affiant parked one street north of the target house, near a residence under construction.
- 18. At 1228 hours, a white Mercedes SUV/Wagon departed the residence and drove out into the street as if he is going to go eastbound then suddenly made a northbound turn and drove toward your affiant. Your affiant laid his seat down and pretended to be sleeping so that the driver of the Mercedes would not see him or suspect him of being law enforcement. Your affiant next heard a tapping on his passenger side window and

1 Case 1:14-cr-00186-RDB Document 236 Filed 10/22/15 Page 16 of 38
2 observed a black male looking through the windows of his assigned under cover vehicle.
3 The black male motioned for affiant to open the window. Your affiant rolled down the
4 window slightly and the heavy set black male, approximately 35 years old wearing black
5 shirt and black pants then walked from the passenger window to his driver's side door.
6 Your affiant observed that he has a scar above his lip on his right side. The subject
7 attempted to look over affiants shoulder and into the vehicle at affiants hidden Police
8 equipment. Your affiant asked the black male what he was doing, and he responds "what
9 are you doing in this neighborhood, you do not live here." Your affiant found this
10 abnormal since the subject (later identified as Richard BYRD was in the process of
11 moving out of the residence in that neighborhood. Affiant advised BYRD that he was
12 overseeing construction on the residence and BYRD then asked why affiant had a gun
13 (located on passenger seat hidden under paperwork, with the tip of barrel exposed). Byrd
14 was very confrontational and demanding throughout this contact.

15. 1256 Hours, surveillance saw U-Haul trucks pull out onto the street and the white
16 Mercedes drove back into the driveway. The subjects from the trucks all got out and
17 spoke with a black female. The U-Haul trucks departed and were observed by Detective
18 Flick, of the Arizona Attorney Generals Office. Officers then followed the trucks as they
19 drove all over town. Both trucks traveled in all direction and went to as far away as 51st
20 Avenue and I-10. The two trucks made U turns on freeway overpasses, separated and
21 then rejoined and drove north and east through central phoenix utilizing side, residential
22 streets. It was obvious that they were attempting to lose officers and once stopped in the
23 middle of a busy street for approximately one minute to create a back up of traffic in all
24 directions before departing making it difficult for officers to follow. The trucks were
25 followed to 5346 E. Royal Palm Drive, a little over a mile away from where the trucks
left from at 4550 N. 62nd Place. The white Mercedes, and an additional moving truck
were also at 5346 E. Royal Palm Drive. Your affiant during surveillance ran the license
plates on both vehicles through U-Haul security. The plates were identified as AZ
AB88965, and AZ AA56012. They were both rented by Staci STEWART, Visa card
#4750-1500-2178-1916.

1 20. Your affiant conducted a background check into this residence and learned that the
2 property is a rental and is owned by Golshani Forouzan/Rezvanieh. The Maricopa
3 County Assessor list the assessed property value on this property in 2009 at
4 \$2,312,171.00. The utilities at 5346 E Royal Palm Drive are under the name of Lincoln
5 DAVIS as are the trash services however the phone number (832) 576-7726 was
6 provided as a contact number. This phone is believed to be used by Stacie STEWART
7 and was called by Richard BYRD from jail after his 02/17/2011 arrest. STEWART also
8 listed this phone number on FEDEX related documents found during the course of this
9 investigation. Lincoln DAVIS is associated with Stacie STEWART and Najah
10 STEWART through financial transactions, and also as being listed as the renter of the
11 Chevrolet Tahoe rental car which was later identified in Los Angeles on 03/01/2010, by
12 the RNSP Task Force, as delivering the packages to the shipping business which
13 contained marijuana.

14 Identification of Richard BYRD, AKA: Robert Smith

15 21. On 07/09/2010 your affiant drove past the residence located at 5346 E. Royal Palm Road
16 and observed the white Mercedes 4 door crossover which the suspects commonly drive.
17 This is also the vehicle which was observed being driven by Robert BYRD who
18 confronted your affiant on 05/03/2010. The vehicle was parked in the driveway at 5346
19 E. Royal Palm Drive, with AZ registration AJR8574. The registration lists it as a 2006
20 Mercedes 4 door wagon, registered to a Robert SMITH, 8124 W. Campbell Avenue in
21 Phoenix, AZ (bogus address). A driver's license number is identified for the registered
22 owner as #D07174134. The driver's license number identifies the driver as Robert
23 SMITH. He is further identified by DOB 05/05/1975. Your affiant observed the drivers
24 license photograph of Robert SMITH and recognized him as the driver who confronted
25 him on 05/03/2010. He was recognizable by the scar or skin blemish above his lip on the
right side of his face and his height, weight, build and facial structure. No criminal
history was found under the name Robert Smith. The listed SSN 240-15-1541 returns to
a female name.

- 1 22. Your affiant had questioned the true identity of Robert SMITH when he observed the
2 Arizona MVD drivers license photograph. The background screen looked faded and did
3 not seem to be the same background as most MVD photos. Affiant could not find a
4 criminal history or any public database documents associated with Robert SMITH. Your
5 affiant found on a trash run, the thrown away health provider cards listing the name of
6 Stacie STEWART-BYRD. There were also numerous financial transactions involving
7 Stacy STEWART and different individuals with the last name BYRD.
- 8 23. On 08/24/2010, your affiant Kleinman received a phone call from Special Agent Andrew
9 Cheramie from ATF in Charlotte, NC. He explained that they had a triple homicide in
10 North Carolina in 2008, in which a Jamaican drug dealer, his girlfriend and her niece
11 were killed. An individual named Richard Christopher BYRD is the primary suspect and
12 was associated with Stacie STEWART. SA Chermaine became aware that your affiant
13 was investigating Stacie STEWART, Robert SMITH and other members of the BYRD
14 family. After some discussion, it was determined there was a strong possibility that
15 Robert SMITH was Richard Christopher BYRD. Photographs of Richard Christopher
16 BYRD were e-mailed to Detective Kleinman from an earlier arrest in Baltimore, MD and
17 these photographs do clearly match the driver's license photograph or Robert SMITH, as
18 is clearly visible by the scar above his lip. S/A Cheramie stated that Richard BYRD also
19 goes by the name of Deandre BYRD. Cheramie also explained that Richard BYRD had
20 been tried for a double homicide in Baltimore a few years before but was acquitted after a
21 trial. The triple homicide in Charlotte was committed in the same manner, as to the
22 execution style murders in Baltimore. Family members of the deceased male in Charlotte
23 indicated that Richard BYRD is a cousin of the deceased and had an argument with him
24 about money owed him, before being killed. For clarity, Robert Smith and Deandre
25 BYRD will now be referred to as Richard BYRD.

Fed-Ex Transactions

24. Trash runs were conducted at 5346 E. Royal Palm Road and several times Fed-Ex
documents or receipts were obtained. On 08/22/2010 your affiant went to the primary

Fed-Ex hub located at 8210 S. Hardy Drive Tempe, AZ and met with a manager there.

Your affiant presented several receipt copies from Fed-Ex, which were originally obtained from the trash can. The Fed-Ex manager was able to provide some information. A receipt dated 08/02/2010 identifies a package that was sent from Stacey STEWART who provided her old address of 4550 N. 62nd Place in Scottsdale, even though she clearly resided at 5346 E. Royal Palm at the time the package was sent. She also listed a phone number of (832) 576-7726. The package was sent to Robert SMITH and delivered to a hotel at 465 S. La Cienga Blvd. in Los Angeles, CA. The package was sent from a Fed-Ex/Kinko's location at 4513 N. Scottsdale Road in Scottsdale, AZ. A receipt dated 08/04/2010 indicates a package was sent from the same location on Scottsdale road by Robert SMITH and sent to Baltimore, MD to a residence and left at the front door. A receipt dated 08/06/2010 indicates a 3.5 pound package was sent from the same location in Scottsdale by Robert SMITH to the same residential address in Baltimore, MD and left on the front door. A receipt not dated was identified as a package being sent on 07/29/2010 by Robert SMITH who listed a senders address of 342 E. 100 Street in Los Angeles, CA although the package was sent from the same Fed-Ex/Kinko's at 4513 N. Scottsdale Road in Scottsdale, AZ. The package was sent to Sharon Hill at Comerica Bank, One Center Creek Blvd. Suite 100 Sugarland, TX. A clear pattern exists of both Stacey STEWART and Richard BYRD, using addresses which they can not be linked to as the sender of these packages. Based on your affiants experience dealing with parcel cases, it is not uncommon for illegal contraband and or currency to be sent from fictitious names and addresses.

Marijuana cigarettes obtained from trash

25. On 08/19/2010, a trash run was conducted at the residence of Stacie STEWART and Richard BYRD . Several items were removed from the trash can which showed indicia of the above subjects residing at this address. A hand rolled cigarette was also found. This item was submitted to the DPS crime lab to check for cannabis or marijuana

1 substance. Mark Cardwell #6306 of the DPS crime lab checked item #B and determined
2 that it did test positive for marijuana and was a usable quantity.
3

4 **Purcahse of Can-Am Motorcycle**

- 5 26. A trash run conducted on 08/12/2010 at 5346 E. Royal Palm Road identified a receipt
6 from United Road Towing signed by Robert Smith, with an invoice # T296247. A large
7 portion of this bill was missing. On 08/18/2010 your affiant went to United Road
8 Towing and an employee there was able to locate this invoice and provided a copy. It
9 identified a Can-Am motorcycle being towed from 4550 E. Washington (A Loft Hotel)
10 and delivered to 13690 W. Test Drive in Goodyear, AZ. This motorcycle was towed on
11 07/23/2010 and the towing charge was paid for with \$160.00 cash. The towing bill listed
12 the motorcycle being towed at the request of Stacie STEWART, and her name is crossed
13 out. The name Robert SMITH is then listed. The vehicle was further identified by AZ
14 temporary sticker 809449B, VIN #2BXJADA16AV000230. Your affiant ran the
15 registration and it returned on a 2010 Can-Am Spider motorcycle, registered to Laura
16 IRROBALI, 8118 W. Campbell Phoenix, AZ (bogus address), very close to the address
17 of 8124 W. Campbell Avenue (also bogus address), which was listed on the registration
18 of the white, SUV/station wagon Mercedes vehicle being driven by Robert SMITH.
19 Smith's driver's license also lists an address of 8124 W. Campbell Phoenix, AZ.
20 Affiant went to the 8100 block of west Campbell in Phoenix, AZ and observed that
21 neither the address listed on Robert SMITH drivers license (8124 W. Campbell), nor the
22 address listed on the registration of the motorcycle (8118 W. Campbell) exist. Your
23 affiant went to the address listed where the motorcycle was towed to, 13690 W. Test
24 Drive in Goodyear, AZ. This address is the business of "Ride Now Power Sports".
25 27. Your affiant went into the business and spoke with Jeff Selig a sales manager for Ride
Now. He identified the motorcycle by the VIN number and provided a copy of the sales
invoice. He said that the Can-Am motorcycle was purchased by Laura IRROBALI on
06/25/2010, but the motorcycle was being given to a black male that was accompanying
her. The motorcycle was purchased for \$21,500 and was paid for in cash. Jeff Selig

remembered the motorcycle being returned for service a couple of weeks prior. Jeff Selig provided a copy of Laura IRROBALI's driver's license, issued out of California.

28. A financial search identified that on 07/16/2010, a \$19,600 deposit was made into Laura IRROBALI's Bank of America Account in Baltimore, Maryland, and \$19,200 was withdrawn on the same date from her account in Scottsdale, AZ. On 07/19/2010, \$19,600 was deposited into her Bank of America account in Pakville, Maryland and \$19,200 was withdrawn the same date from her account in Scottsdale, AZ. This is consistent with these accounts being used as a funnel account (transit account from other parts of the country) and the organization's use of friends, family and associates to move illicit proceeds. Several more current large deposits from the east coast have occurred followed by withdrawals by Laura IRRABOLI in Arizona showing a consistent pattern of her financial involvement for the DTO. Your affiant ran a criminal history on Laura IRROBALI and discovered she had several arrests for PC-Force/ADW not firearm, Vehicle Theft, driving without a license. AZ DES lists no employment for her for the last (4) years.

Surveillance of 5346 E. Royal Palm Road Paradise Valley

29. On 09/30/2010, your Affiants conducted a drive-by surveillance of 5346 E. Royal Palm Road in Paradise Valley. Parked in the circular driveway in front of the house was a maroon Chevrolet Tahoe bearing Texas license PZR637, registered to Lamar Aaron THOMPSON, 1435 Damby Heath Houston, TX. A public database search further identified him at the above address with a DOB 09/09/1970. A criminal history search was then completed which further identified Lamar A. THOMPSON by FBI #270573KA2. It identifies him as being from Jamaica. He has past arrests for:

Identification of storage locker

- 30. On 02/08/2011 Affiants Kleinman and Shallue, served a subpoena at "Extra Storage Space" storage locker facility at 4028 N. 7th Street in Phoenix, AZ. This location was identified during a trash run. The new customer information sheet identified Stacie STEWART as the person signing the contract. She provided a Texas driver's license #: 24256633, and an address for her as 6310 Calhoun Road in Houston, TX (home of Kimberly Reid). Stacie STEWART identified herself as employed at "Von a Don Entertainment", 6318 64th Street in Phoenix, AZ. This is a fictitious address and is in close proximity to the address she is renting now. Von a Don Entertainment is not an incorporated business in the state of Arizona. Stacie STEWART requested access to the locker for Robert SMITH, James BOWIE and Rasan BYRD. James BOWIE is a non practicing attorney who resides in Houston, TX, and has been identified in numerous financial transactions involving Stacie STEWART and Richard BYRD.
- 31. Access to locker A-331, like all other lockers, is through a large door which is accessed through an electronic key pad, and is also monitored by a surveillance camera. Whenever someone enters the three story building, it can only be done through the monitored door.

Management can normally provide times entered by the access code assigned to the specific user, and provide corresponding video footage. As of 02/08/2011, management stated that they had no access ever recorded for Stacey STEWART.

32. Affiants Kleinman and Shallue went to locker # A-331, along with the manager. There was a lock on unit #A-331. The manager, without being asked, used a flashlight and looked through a crack between the door and the wall and reported that there was a single box in the storage locker. This means the only way that they could have accessed the locker is by following someone else into the building before the door closed. Affiants arranged to have a Phoenix K-9 sniff outside the storage vault, but there was no alert. The K-9 handler advised that his dog would not alert on money, cocaine or methamphetamine at a distance of where the box had been placed in the unit and depending on how the substance contained therein was packaged. Stacey STEWART listed on the contract that she would be placing household items in the locker with a value of \$5,000.00. Also of interest is the distance between where Stacey STEWART and Richard BYRD reside and where this locker is located. There are several miles between them and Detective Kleinman observed several other storage unit businesses which were closer to where they reside. Detective Shallue returned to Extra Space Storage at 4028 N. 7th Street on 03/01/2011 to do follow up on an earlier served Grand Jury subpoena. Shallue met with Store Manager who handed him two video disks which depicted the following:

20. **Disk 1:**

21 Dated 11/17/2010, marked Unit # A331

22 This series of videos encompassed the times 11:14 through 11:30 on November 17th, 2010. They show Stacie STEWART arrive alone in her silver Mercedes sedan (AMC7192 registered to Shantell ROSHELL). This vehicle has been seen consistently by surveillance, coming and going from 5346 E. Royal Palm on a daily basis. It has never been seen at the address of 5717 N 73rd Street, Scottsdale, AZ which is listed on the registration.) STEWART took some plastic bags from the front of the car and walked around to her opened trunk. She appeared to have placed the bags in the trunk or into a box which was in the trunk. She then retrieved some paperwork

1 from the passenger side of the vehicle, picked up one of the bags from the trunk, walked to a
2 trash dumpster and threw the bag away. She returned to the trunk, retrieved a large cardboard
3 box and walked to the storage building. STEWART could not immediately gain access. A white
4 male, possibly an employee, assisted her to get into the building. STEWART then put the box
5 on a push cart and took it to unit #A331 and placed it in the unit. STEWART exited the building,
6 tore up some papers in the trash dumpster and left in the Mercedes. According to management
7 this was the first time STEWART had accessed the unit.

8
9 **Disk II:**

10 Dated 02/25/2011, marked Unit # A331

11 This series of videos encompassed the times 12:08 through 12:29 on February 25th, 2010. They
12 show Stacie STEWART arrive, driving a newer model white, four door, Lincoln MKS with a
13 large sun roof. STEWART had a large, black female companion with her. The vehicle appeared
14 to have a white license plate on the front and rear, indicating it is possibly from California.

15 STEWART's companion walked to the driver's side of the vehicle and retrieved a large, brown
16 shopping bag from the rear seat. The both walked to the building but could not enter the storage
17 area. They then walked into the office. STEWART approached the counter and pulled out a
18 wad of cash from her purse, pulled a rubber band off of it and counted out several dollar bills to
19 make her payment. She then straightened out the stack of cash on the counter, re-banded it and
20 secured it back in her purse. STEWART and her companion walked out of the office and into
21 the storage area. STEWART's companion carried the large, brown paper bag into the building.
22 Both females were also carrying large purses. The two proceeded to walk to Unit # A331 where
23 they put the bag into the storage unit. They then left the building and the property, STEWART
24 driving the Lincoln. Shallue asked the manager about STEWART's demeanor and the vehicle
25 she had arrived in. The manager advised that STEWART was arrogant but not nervous. The
manager saw the car keys that STEWART had with her and they looked to have a rental car type
key chain. Both items placed in the unit are not very large and or item's normally stored in a 5
X5 storage unit by themselves. STEWART and BYRD rent a very large luxury home in
Paradise Valley and could easily store these items in their residence and avoid paying an extra

1 Case 1:14-cr-00186-RDB Document 236 Filed 10/22/15 Page 25 of 38
2 rental fee. Affiants have probable cause to believe that these subjects are concealing evidence of
3 their ongoing criminal enterprise and that this is consistent with how drug trafficking
organizations operate.

5 **Surveillance of Stacey STEWART**

6

- 7 33. On 02/10/2011 at 0908 hours, a silver colored Mercedes, which has been regularly
8 observed at the residence, 5346 E. Royal Palm Road , departed. This vehicle, although
9 observed often on the camera, had not been identified by registration. The vehicle passed
10 Affiant Kleinman while northbound on 56th Street from Mockingbird. Kleinman
11 identified a black female believed to be Stacey STEWART alone in the vehicle. It was
12 identified with AZ. license plate AMC7192. It returns on a 2007 Mercedes 500 class, 4
13 door sedan. The vehicle is registered to Shantell ROSHELL, 5717 N. 73rd Street in
14 Scottsdale, AZ. The vehicle listed no lien.
- 15 34. The silver Mercedes was followed to a building on the north side of Shea Boulevard and
16 71st Street. It is believed that she went into a business area where there is a dance studio
17 named Dancesport on the bottom floor and Signature Salon on the top floor.
- 18 35. The registered owner of the Mercedes, "Shantell ROSHELL," does not have an Arizona
19 driver's license applied for. A dummy file is assigned to this name however by Arizona
20 MVD, D07352345 when Shantell ROSHELL registered the vehicle by provided this
21 name and a DOB 05/21/1972. The address listed on the registration, 5717 N. 73rd Street
22 in Scottsdale was familiar to affiant Kleinman. This is believed to be the location where
23 Lincoln Harris resides. He was identified on 02/24/2010 at the residence where Stacey
24 STEWART and Richard BYRD then resided, 4550 N. 62nd Place. On that day and around
25 the time HARRIS was there, a Chevy Suburban was seen backing into the garage, it

1 Case 1:14-cr-00186-RDB Document 236 Filed 10/22/15 Page 26 of 38
2 stayed for a short period of time and then drove off. Affiants recognize this type of
3 activity frequently seen at illicit money and or drug drop off or pickup locations. The
4 Suburban was not registered to that location, however utilized the garage for a short
5 period of time. Lincoln Harris was driving a grey Nissan Maxima on that date. It
6 displayed AZ registration AGN3212, which is registered to him at that address, 5717 N.
7 73rd Street in Scottsdale. His vehicle was later observed at this residence as well.
8 Lincoln Harris was also identified as the driver of the vehicle by affiant Kleinman who
9 matched him against his Arizona driver's license, D06323684. A public database lists
10 Lincoln Harris with a past address in Houston, Texas which is where there are many ties
11 to Stacey STEWART and Richard BYRD.

12 36. On 02/15/2011, your Affiants conducted surveillance at 5346 E. Royal Palm Road and
13 observed a black BMW depart. This vehicle has been observed numerous times at the
14 residence, via surveillance. A heavy set black female, approximately 500/230 was
15 observed driving the BMW and it had a temporary AZ registration 0N00644, which
16 returns on a 2009 BMW 4 door. The vehicle is registered to Shantell ROSHELL, 1932
17 W. 27th Street Los Angeles, CA. The vehicle listed no lien. This is the same registered
18 owner as the Mercedes identified on 02/10/2011. The black female driving the vehicle
19 was the same female who accompanied STEWART to the storage rental locker on
20 02/25/2011. This vehicle was purchased at Sun Motors LLC. Shantell ROSHELL's CA
21 DL # A6219283 listed her physical description as 503/140 which is not consistent with
22 the driver on 02/15/2011.
23

25 **Funnel Accounts**

37. Affiants have been party to and investigators on no less than two "Funnel Account"
warrants in the past four years where accounts receiving and withdrawing large amounts

Case 1:14-cr-00186-RDB Document 236 Filed 10/22/15 Page 27 of 38

1 of cash have been identified, detained, investigated and seized. These accounts all
2 exercise the same method of moving cash by having almost always unidentified persons
3 out of state, deposit sums of cash into bank accounts held by drug and human smuggling
4 organizations operating in and through Arizona. The sums are almost always under the
5 \$10,000.00 cash reporting limit in order to attempt to go undetected by law enforcement.
6 The cash is almost always withdrawn in cash on the same or following few days in a like
7 manor. These accounts are usually opened and utilized by low to mid-level participants
8 in the criminal organizations on a regular basis. The account holders are often friends,
9 family members or associates of the high level managers. The higher level persons tend
10 to use their own account on a less frequent basis, not wanting to draw attention to
11 themselves, to avoid prosecution and to insulate themselves from suspicious activity.

13 **Richard Byrd Funnel Account**

- 14
- 15 38. Cash Transaction Records show that on 03/10/2010, Allyria Johnson; 09/16/78, SSN:
16 203-64-2980 deposited \$19,000.00 into two of Richard BYRD's **Bank of America**
17 **accounts; 586005838775 and 457017876650**. One of these accounts was opened under
18 his alias Robert SMITH's; 05/05/74 and the other under the name Deandre BYRD.
19 Johnson has a criminal history for Possession of Marijuana out of Baltimore, MD on
20 07/29/2005 and on 01/28/2010.
- 21
- 22 39. Cash Transaction Records further revealed that between 05/12/2003 and 03/07/2007,
23 \$265,210.00 in cash was deposited into various bank accounts directly associated with
24 Richard BYRD in Baltimore, Maryland, Atlanta, Georgia, and Houston, TX. Many of
25 these deposits were done on behalf of an entity called "**10 Fingers Entertainment**".
During that same time frame, BYRD withdrew over \$340,600.00 in cash, some of which
were negotiable instruments paid by "**10 Fingers Entertainment**".

1 Stacie STEWART Funnel Accounts

- 2
- 3 40. Stacie Stewart made 74 cash deposits totaling \$106,077.77 into her **B of A checking**
4 **account # 586005837734** between 09/02/2008 and 10/06/2009. During the same period,
5 259 cash withdrawals were made totaling \$71,505.91. Additional activity showed
6 deposits of money orders (5 consecutive for 1k each on 09/17/2009) and withdrawals via
7 checks written to herself for cash. Debit activity consisted of cell phone payments, food,
8 clothing, hotel and airline flight purchases. (Stewart used SSN: 214-96-5707, DOB:
9 02/06/1974 and the address 8726 Magnolia Forest, Sugarland, TX on the account).

5 **Identification of surveillance cameras**

- 6 49. While conducting surveillance, on 02/15/2011, at the residence of Stacey STEWART and
7 Richard BYRD, 5346 E. Royal Palm Road in Paradise Valley, AZ Detective Thomas
8 observed that several new surveillance cameras had been installed on the residence,
9 which covers the garage area, the front driveway area, and the front yard area.
10

11 **Trash Run**

- 12 50. On 02/03/2011, your Affiants conducted a trash run at the residence of 5346 E. Royal
13 Palm Road. In addition to finding the documents related to the storage locker listed
14 above, other items of interest were identified. A drug ledger was removed that had the
15 following notations including; Bowie-7000, Kent-5200, Billie wife-2500, green dot
16 5,000 =14,700, 7000+1550+2950=10,500, 15,550 + 4000 = 19550, 35450 with 2500
17 written under it.
18 51. A letter was removed which was sent to Robert SMITH, 6310 Calhoun Road Houston,
19 Texas. The letter states that Robert SMITH was denied a credit card due to length of time
20 accounts have been established, delinquency on payments and lack of payment on open
21 accounts. This credit card request was conducted by Richard BYRD under his fictitious
22 name.
23 52. UPS receipts, Western Union Receipts and billings were removed listing and address for
24 Stacey STEWART and Richard BYRD of 4340 E. Indian School Road #21-425 in
25 Phoenix. This number corresponds with a postal mailbox at a UPS store location, with
 post office mailboxes.
53. A financial search identified several reports indicating a check fraud through Chase Bank

1 in 2010 by Lamar THOMPSON. An earlier report in 2005 relates to a suspect in
2 possession of a suitcase at the Houston airport and the suitcase contained a fake driver's
3 license and numerous blank checks which were in possession of Lamar THOMPSON.

- 4 54. In addition to the date listed above, Lamar THOMPSON vehicle has been observed on
5 via a pole camera on several occasions at the residence of Stacey STEWART and
6 Richard BYRD. Your Affiants suspect Lamar THOMPSON as the source of the
7 fictitious driver's license being used by Richard BYRD, in the name Robert SMITH, here
8 as well as a past case in California where Richard BYRD was charged there with the
9 same crime.
10

11

12 Fort Bend, Texas report

- 13 55. Your Affiants received report 07-1885 from Ft. Bend, Texas in regards to Stacie
14 STEWART. She was arrested there on a charge related to "Criminal Syndicate." In
15 brief, Stacey STEWART and several other suspects had fake driver's licenses from
16 Kentucky which matched fraudulent names on checks and credit cards. Stacey
17 STEWART was accused of flying frequently on Southwest Airlines by payment made on
18 fraudulent or counterfeit checks. Kimberly REID was identified as living with and flying
19 with STEWART to and from Baltimore, MD using tickets purchased with counterfeit
20 checks. It is possible that Lamar THOMPSON is the source of the fictitious driver's
21 licenses in this case as well. FT. Bend Police Department did not address the source of
22 the fictitious identifications in the reports sent to your affiants.
23

- 24 56. Kimberly REID has further been identified recently as a result of trash runs and also a
25 mail cover in your Affiants case. Kimberly REID has sent Stacey STEWART large 8" X
11"envelopes. Stacey STEWART has also sent packages to Kimberly REID via FedEx.
Based on the packages being sent back and forth between STEWART and REID, and the

frequent visits from Lamar THOMPSON, that STEWART is also utilizing fraudulent means to hide her identity, Richard BYRD's true identity and the source of their illicit funds in order to assist in their criminal syndicate. The lead Detective in Ft. Bend, TX advised your Affiant that Stacey STEWART has not been indicted in their case yet.

Arrest of Richard BYRD (2,700 lb Marijuana deal)

57. On 02/17/2011, Chandler Police Department conducted an undercover operation known as a "reversal", whereby they pose as sellers of marijuana. The goal is to have a buyer show up with money for the purchase, make an arrest and seize the illicit proceeds. By the use of Confidential Reliable Informants (CRI) they were able to have the buyer known as "Fatboy" arrive at their undercover warehouse in Phoenix to purchase 2700 pounds of marijuana. "Fatboy" later identified as Richard BYRD, arrived in the Chevrolet Suburban registered to Winnie CLARK. They negotiated the entire 2700 pounds but "Fatboy" said he would buy the 500 pounds of marijuana on this date and the remaining on the following day. "Fatboy" took a rolling suitcase out of the Suburban and walked it into the meeting location. The bag contained \$267,920.00 in U.S. currency. The marijuana was stacked in the room where BYRD was arrested. This transaction was recorded both audio and video. An additional \$18,000.00 was located in the glove box of the Suburban. A black female identified as Chryl WASHINGTON was in the passenger seat of the Suburban. She had several rubber bands in her purse which matched the rubber bands on the currency, but made no incriminating statements and was not charged. She is identified as residing in California. Richard BYRD was in possession of (9) cell phones at the time of arrest.
58. Several days after Richard BYRD was incarcerated on the Chandler charges, he was released after posting a \$150,000.00 cash bond, paid for by Kimberly Renee Reid. Your

1 affiant obtained by subpoena phone calls made by Richard BYRD while incarcerated.

2 Richard BYRD told Stacie STEWART that she had to turn off the phones. STEWART
3 also advised that she was utilizing a rental vehicle (as seen at the storage rental place on
4 02/25/2011).
